Then on July 4th there will be a full day of activities beginning with the Cherry Bomb Triathlon for kids and a children's parade. Yukon Freedom Fest
Schedule of Events

Mike Elred, vocalist, with Joel Levine during the 2002 Freedom Fest concert.

Patriotic Music Is A Fitting Way to Celebrate The Birth of Our Country

Since 1996 the Oklahoma City Philharmonic has been entertaining Yukon residents, both during the 4th of July Freedom Fest and the Sounds of the Season concert in December. Each year the music gets richer and better. Maestro Joel Levine does a great job of selecting a wide variety of musical numbers and featuring an interesting array of vocalists.

Old favorites are revisited and mod-

ern-day classics are showcased. It's always musically stimulating to hear. This July 4th will be no different as the lush philharmonic tones drift out over the Chisholm Trail Park audience. Then, as the excitement of the concert has barely subsided the first fireworks are shot into the Yukon sky. Why not stay home this July 4th weekend and enjoy some hometown fun and fantastic music? ●

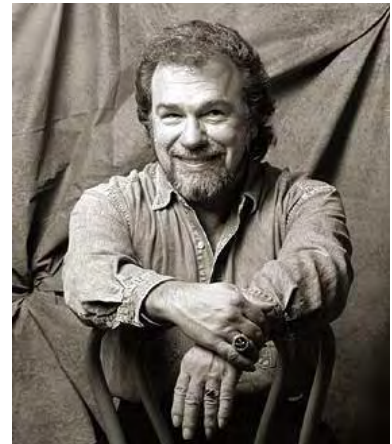

At the Festival of the Child

Children's New World was the Corporate Sponsor of the Festival of the Child. Over 2,500 people attended the festival which featured over 25 fun-filled events.

Legendary Gene Watson In Concert

KKNG-FM will sponsor Gene Watson in concert on Saturday, July 2nd at 8 p.m. at the Chisholm Trail Park Gazebo. Known for such hits as "Love in the Hot Afternoon," "Because You Believed in Me," "Paper Rosie," "Memories to Burn," "In Other Words," and "From the Heart," Watson is a polished balladeer. Country music critic Robert K. Oermann once said of him, "In his voice is all the ache of existence." Come see Gene Watson, along with local favorite Maci Wainwright. At 9:30 p.m. there will be a fireworks exhibition to cap this full evening of country music. ●

Cajun Cooking Finds Way to Yukon

Being raised one of 13 children in mid-Louisiana prepared Clint Eaves for his current career. His mother, Marie, would cook delicious full spread meals for her family and Clint took those lessons to heart. Today, he not only has Clint's Cafe in Yukon, but also runs a very successful catering business for weddings, dinners or special events. Clint's is open 7 days a week. Tuesday night they have an all-u-can-eat catfish

dinner for \$10.95 which is very popular. Also, his Sunday brunch (11 am to 2 pm) for \$9.95 is a great bargain. Clint's not only features some of the best Cajun food (gumbo, jambalaya, etc.), but also steaks, seafood, sandwiches, and chicken fried steak. He'll soon add brisket, pork tenderloin, and pot roast. Call him at 350-0088. "All our foods are freshly prepared to order," said Clint. "Some say our food is as good as any found in Louisiana." ●
